THIRTEEN LOYOLA ATHLETES WIN POST-SEASON LAURELS

LOYOLA WATER POLO STARS SEEK
OLYMPIC BERTHS

Three members of Loyola College's QUAA Champion Water Polo team, Don Packer, Steve Hart and Jim MacVicar, have been selected as top candidates for Canada's 1972 Olympic team.

The three athletes will report to the Olympic Training Camp in Hamilton, Ontario, which will run from June 10-27. On the 28th of June the training site will be moved to Budapest, Hungary, where they will continue to train until August when the Olympic team will be selected.

The highlight of the training program will be a tournament in Bratislava, Czechoslovakia on July 4 & 5 in which the Canadian team will compete against other top teams including the U.S. Olympic squad. If the Loyola trio were to be members of a Canadian Team which wins a medal it would mean automatic nomination to Loyola's illustrious Sports Hall of Fame. Olympic medal winners already in the Hall of Fame include Frank Shaughnessy Jr. and His Excellency Pedro Suinaga-Lujan.

FIVE LOYOLA FOOTBALLERS REPORT
TO CFL TRAINING CAMPS

Five former Loyola College Football players will be reporting to Canadian Football League Training Camps this week.

Heading the list will be tight end Brian Marcil, reporting for his third season with the Grey Cup Champions Calgary Stampeders. Also reporting to the Calgary camp will be recent (1972) graduate Frank Belvedere, a two-way halfback. While at Loyola Belvedere was a league All-Star for three years and two years ago was the top rusher in the conference. He was Loyola's Athlete of the Year in 1970-71.

Attending the Montreal Alouettes camp will be two other performers who toiled for the Warriors this past season, tackle Bob Miele and wide receiver Peter Paliotti.

The fifth Loyola CFL prospect is Andy Malolepszy, a center who is a top candidate for that position with the Ottawa Roughriders.

These Loyola grads will be no strangers to CFL coaching as the Warrior football staff includes ex-professional standouts Tony Pajaczkowski (offensive line coach) and Doug Daigneault (head coach). In addition, Ed Enos, former Montreal Alouette assistant coach, is Loyola's Director of Physical Education and Athletics.

LARRY CARRIERE FIRST COLLEGIAN PICKED IN NHL DRAFT

Loyola defenseman, Larry Carriere, has been selected by the Buffalo Sabres in the second round of the National Hockey League amateur draft. He was the first collegian selected in North America and the second person in Quebec behind Jacques Richard.

The 6'1", 190 lb. Carriere played 4 years for the Warriors and was captain of the team this past season. He was a league all-star in each of his four years.

Another Loyola hockey player, goaltender Jim Corsi, has been selected as one of two Quebecers to receive a Hockey Canada scholarship for the 1972-73 school year. Last year he was an outstanding player for the Soccer Warriors who were QUAA champions as well as National Finalists. Since the Hockey Warriors already had an experienced netminder in Rocky Martin, Corsi played with the Metro Champion Pierrefonds Pirates this past season where he was voted the league's most valuable player. Next year he is expected to be with the Varsity Warriors.

As already publicized, Loyola basketballers Wayne Hussey and Trevor Briggs were invited to the Olympic Basketball Try-Out Camp in Camp Broden, Ont. In addition, Soccer standout Andrea Cafaro was chosen as the recipient of the Brodrick Award, awarded to the graduating student-athlete who has distinguished himself in academic and extra-curricular endeavours during his four years at Loyola. Cafaro was a Physics major who will pursue his Masters degree next year.
